CILE CALDWELL.

On February 23, 1925, the death angel visited the home of Mr. and Mrs. Walter Caldwell and carried away their sweet and innocent little six months old daughter, Voncile, who, to their great satisfaction is now resting in her heavenly home among the angels. A BANK ACCOUNT IS A CON-FIDENCE BUILDER.

A Bank Account inspires confidence on the part of the owner's friends, his business associates and his creditors. This in itself is sufficient recommendation.

But, better still, a bank account raises its owner in his own estimation so that he is quite likely to do better work and aspire to higher things. These arguments can not be refuted. If you

have no account and will try the experiment,-

YOU'LL BE GLAD YOU DID.
